I have selected the samples of drill + Canvas put up for approval. The lace samples received with the tender are worthless + do not compare with what was supplied on the last occasion. I think the tailoring work as also providing the coats with good lace may be entrusted to a responsible firm who would agree to finish the work in a given time, but Jamadar Khan of the City Imam Nikapetta has also submitted his tender, but as it was received only 3 days after the date fixed it was not considered He also undertakes to do the tailoring work + also provides the Coats with the necessary lace. The work may I think be entrusted to him with necessary guarantees for good work in time.
